Notes:

Due to the nature of some manufacturing processes, some variations are to be expected. Natural stone, marble, concrete and some glass fittings are unique by design. These products are sold on the basis of your acceptance of the terms of this disclaimer. These types of products contain natural elements and there will be variations in texture, colour, veining and patterns which should not be considered flaws.

Cleaning Instruction:

Clean with a dry cloth only. Do not use liquid or abrasive cleaners on this product.

Fixing:

It is the buyer's responsibility to ensure that suitable fixings are used.
